Extreme Certified Professional in ExtremeCloud™ SD-WAN Exam

TRAINING GOALS:

This is a one-day assessment that will test the practical lab skills learned in the four knowledge credentials. On the day of the Extreme Certified Professional assessment, the first part is unstructured, and students will have approximately 3 hours to practice within the lab environment to reacclimate before the timer begins. The lab exercises are released just before the timer and students will work through these alone. The assessing ATP will mark the assessment at the end.

On passing this assessment you will become an Extreme Certified Professional in ExtremeCloud SD-WAN.

REQUIREMENTS:

The Extreme Certified Professional in ExtremeCloud SD-WAN Exam must have been passed before taking this lab assessment. You will only have access to this exam once you have passed all 4 knowledge credentials.
