

Szkolenie: Microsoft
MB-310T00 Microsoft Dynamics 365 Finance

DOSTĘPNE TERMINY

2025-11-25 | 4 dni | Warszawa / Wirtualna sala

2025-12-08 | 4 dni | Kraków / Wirtualna sala

Cel szkolenia:

This course covers the financial aspects of Dynamics 365: configure and use essential financial components, accounts payable, accounts receivable, collections, budgeting, fixed assets, and additional functionality

Course objectives:

- Understand and perform financial duties in Dynamics 365 Finance

Audience:

A Dynamics 365 Finance Functional Consultant is responsible for performing discovery, capturing requirements, engaging subject matter experts and stakeholders, translating requirements, and configuring the solution and applications. The Functional Consultant implements a solution using out of the box capabilities, codeless extensibility, application and service integrations.

Plan szkolenia:

- Financial Management
