

Szkolenie: Oracle  
Contributor Relations Rel 9 Ed 2

## Cel szkolenia:

This course provides an overview of each component in the Contributor Relations product and discusses in depth the major business processes that customers might need to set up, administer, and use.

### Learn To:

- Managing prospects and constituent information
- Managing initiatives, including campaigns, events, and volunteer efforts
- Managing gifts, pledges, and memberships
- Managing communications, such as acknowledgements
- The course also provides an overview of self-service Involvement and Outreach functionality.

A Live Virtual Class (LVC) is exclusively for registered students; unregistered individuals may not view an LVC at any time. Registered students must view the class from the country listed in the registration form. Unauthorized recording, copying, or transmission of LVC content may not be made.
