

Szkolenie: SECO-Institute  
Crisis Management Practitioner

## Cel szkolenia:

Crisis Management Practitioner (CMP) prepares you for successful progression into a crisis management role. In this course, you will learn the essentials of implementing a crisis management and communications process in your organisation, and you will practice your crisis management and crisis communications skills with increasingly complex crisis scenarios. At the end of the course, you will be able to set up an internal crisis organisation and handle a crisis in line with crisis management best practices.

### What will you learn?

- Prepare yourself for a successful progression into a crisis management role
- Implement a crisis management and communications process in your organisation
- Practice your crisis management and crisis communications skills with increasingly complex crisis scenarios

### Who should attend?

The course and the certificate are ideal for you, if you work in facility, security or human resources and you have ambitions for a career in crisis management; you're a communications or public relations professional and you would like to become a confident crisis communicator; you're a manager or CEO looking to organize a crisis team and implement crisis management in your organisation.

## Plan szkolenia:

- Introduction to managing a crisis: theory and impact
- Setting up the Crisis Management Organisation
- Managing a crisis: crisis strategies, BOBOC, structure
- Communication between teams within CMO
- Impact & Stakeholders
- Internal and External Communications
