Szkolenie: PRINCE2®
M_o_R® Practitioner

PeopleCert

Cel szkolenia:

Gain practical risk management skills to drive success, create value and protect your organisation, with ISO-aligned strategies applicable across industries and global standards.

Popular among professionals who have advanced to roles such as:

- Risk Professionals
- Project Managers
- Programme Managers
- PMO Managers
- PMO Support
- Management Consultants
- Product Managers
- Operations Managers
- Change Professionals
- HR Professionals

Plan szkolenia:

- Purpose of Risk Management
  - Learn the fundamentals of risk management, the challenges to effective practice, and how it supports corporate governance and enterprise risk management.
- Integrated Framework
  - Understand how the M_o_R 4 integrated framework guides risk management to create and protect value across the organization.
- M_o_R 4 Principles
  - Learn about the guiding obligations that are continually required to create and protect value from risk management.
- M_o_R 4 Perspectives
  - Assess risks through the lens of the 6 distinct M_o_R perspectives to enable decision makers to create and protect organisational value.
