Training: PRINCE2®
PRINCE2 Agile® Practitioner

TRAINING GOALS:

PRINCE2 Agile® Practitioner is all about using PRINCE2® and Agile in the right place, combining them together until you have the perfect mixture and blend.

PRINCE2 Agile® Practitioner is the world's most complete project management solution, combining the flexibility and responsiveness of agile with the clearly defined framework of PRINCE2®. The new best practice guidance shows how this compatibility can be exploited by organisations harnessing both PRINCE2® and agile, equipping them with the required skills and processes to successfully deliver projects to meet customer requirements in today's fast paced and rapidly changing business environments:

- The combination of control and flexibility
- Clear project definitions
- Seamless integration
- Improved capability to react and adapt

PRINCE2 Agile® Practitioner is all about using PRINCE2® and Agile in the right place, combining them together until you have the perfect mixture and blend.
