

Training: CompTIA
CompTIA Data+ Prep Course

TRAINING TERMS

2025-09-15 | 5 days | Warszawa / Virtual Classroom

TRAINING GOALS:

As the importance for data analytics grows, more job roles are required to set context and better communicate vital business intelligence. Collecting, analyzing, and reporting on data can drive priorities and lead business decision-making. CompTIA Data+ validates certified professionals have the skills required to facilitate data-driven business decisions, including:

- Mining data
- Manipulating data
- Visualizing and reporting data
- Applying basic statistical methods
- Analyzing complex datasets while adhering to governance and quality standards throughout the entire data life cycle

CompTIA Data+ Prep Course is an early-career data analytics training for professionals tasked with developing and promoting data-driven business decision-making and prepare for the CompTIA Data+ (DA0-001) certification exam.

Each participant in an authorized training CompTIA Data+ Prep Course held in Compendium CE will receive a free DA0-001 CompTIA Data+ Certification Exam vouchers.
