

Training: PECB
Introduction to ISO 27005

FORM OF TRAINING	MATERIALS	PRICE	DURATION
Traditional	Hardcopy	400 EUR	1 day
Traditional	CTAB Tablet	550 EUR	1 day

LOCATIONS

Krakow - 5 Tatarska Street, II floor, hours: 9:00 am - 4:00 pm

Warsaw - 17 Bielska Street, hours: 9:00 am - 4:00 pm

TRAINING GOALS:

This one day course allows participants to familiarize themselves with the fundamentals of **risk management** related to information security using the standard **ISO/IEC 27005:2011** as a reference framework. Participants will see different parts of a risk management program and the implementation stages of an optimal risk assessment. It should be noted that this course fits perfectly into the framework of a process of implementation of **ISO 27001**.

Who should attend?

- IT professionals wishing to obtain a comprehensive understanding of risk management within an organization
- Staff implementing or seeking to comply with ISO 27001 or involved in a risk management program
- Member of the information security team

Learning objectives

- To understand the basics of the implementation, management and maintenance of an ongoing risk management program
- To introduce the concepts, approaches, standards, methods and techniques allowing an effective management of risk
- To interpret the requirements of ISO 27001 on information security risk management
- To understand the relationship between the information security risk management, the security controls and the compliance with the requirements of different stakeholders of an organization

CONSPECT:

- Concepts and definitions related to risk management
- Standards, frameworks and methodologies in risk management
- Implement a risk management program
- Risk identification and risk analysis
- Risk evaluation and risk treatment
- Acceptance of risk and management of residual risks
- Communicating, monitoring and controlling risk

Difficulty level

CERTIFICATE:

The participants will obtain certificates signed by PEBC (course completion).

TRAINER:

Authorized PEBC Trainer.

ADDITIONAL INFORMATION:

- A student manual containing over 100 pages of information and practical examples are given to participants
- A participation certificate of 7 CPD (Continuing Professional Development) credits is awarded to participants
