- Everyone interested Cloud Service Pre-sale

## CONSPECT:

- First week
  - Cloud Computing Introduction
    - The Concept of Cloud Computing
    - The Value of Cloud Computing
    - The Key Technology of Cloud Computing Virtualization Technology
    - Quiz

- Big Data Basis
  - Introduction to Big Data
  - Big Data in Telecom
  - Quiz
- IoT
  - IoT Overview
  - IoT Characteristics and Architecture
  - IoT Development Trend
  - Opportunities and Challenges for Operators in the time of IoT
  - Quiz
- First week test
- Second week
  - Enterprise Architecture Overview
    - The concept of enterprise architecture
    - History of Enterprise Architecture
    - Enterprise Architecture Method TOGAF General introduction
    - Enterprise cloud planning guided by TOGAF
    - Quiz
  - The Basic Knowledge and Informatization Trend of Government
    - Basic knowledge of government industry
    - Development Trend of E-government
    - Quiz
  - Knowledge and Informatization Trend of Medical Industry
    - Definition and Function of Medical & Health Industry
    - Management structure of medical & health industry
    - Informatization development trend of medical & health industry
    - Quiz
  - The Basic Knowledge and Informatization Trend of Education
    - Education industry Overview
    - Organization and decision of Education industry
    - Current Situation and Development Trend of Educational Informatization
    - Quiz
  - Second Test
- Third week
  - Government cloud
    - Concept and Development Trend of Government Cloud

- The Development Trend of China 's Government Cloud
- The value of government cloud and operators to do business cloud advantage
- Global government cloud development case
- Huawei government cloud solution
- Quiz
- Medical cloud
  - Medical cloud background analysis
  - Overview and trend of medical cloud
  - Overview of Huawei's Medical Cloud Solutions
  - Quiz
- Education cloud
  - Educational cloud Overview
  - Definition and Overall of Education Cloud
  - Quiz
- Final Test

## REQUIREMENTS:

No prerequisites.

## Difficulty level

## CERTIFICATE:

The participants will obtain certificates signed by Huawei.

## TRAINER:

Huawei Certified Trainer.
